## Seven Star Scholarship Program

Any member of Seven Star Women's Kung Fu may request a partial-dues scholarship from the school. Complete the other side of this form and place it in the scholarship form folder (on the wall by the back door). Effective April 20, 2015, all scholarship applications are reviewed and approved administratively. You will be notified via email regarding your scholarship status.

While Seven Star rarely denies scholarship applications, should the school receive applications from more than three regular ongoing students and three beginners cycle student scholarships in a given review period, priority shall be given to new scholarship applicants and students who have the greatest financial need.

### Regular Dues:

The minimum dues payment is \$85 per month. If this dues rate is cost prohibitive, Seven Star offers scholarship of **up to \$40 per month** to enable students to train. The student is responsible for paying the balance of \$45 per month. **Scholarships will be granted for up to three months at a time.** Submit your application one month before you need your scholarship to begin. If you need additional assistance beyond this three-month period, please re-submit an updated application.

### Beginner's Cycle:

Dues for the 6-week Beginner's Cycle are \$160. The school will provide a scholarship of **up to \$55**. The student is responsible for paying the balance of **\$105**. Please email the application to [allyson@sevenstarwomenskungfu.com](mailto:allyson@sevenstarwomenskungfu.com) or provide the scholarship application to the teacher during the first week of class.

### Dues Exchange/Volunteering at Seven Star:

Seven Star is a 501(c)(3) non-profit organization. We offer scholarships to enable women to train in the martial arts. **If at all possible, students should consider repaying the scholarships they have been awarded if their financial circumstances have improved. This is completely voluntary and not required.** If financial repayment is not possible, students may consider other options. Students may perform dues exchange for childcare. Most of our school is run by our student volunteers. Please let us know if you are interested in volunteering for Seven Star. Many of the volunteer jobs have minimal time commitment.
